Evergreen State Fair shoots for new world record with largest Hokey Pokey

WHAT: The Evergreen State Fair will host another attempt at a Guinness World Record during this year's fair. The Guinness Record for the largest circle dance was set in 1995 at Bangor, County Down, in Northern Ireland, where 6,748 people danced the Hokey Pokey. We'll try to bring together even more people to dance the Hokey Pokey and break this record.

As per Guinness requirements, officials will be on site to authenticate and document this event. All participants also will be eligible to win a bicycle from Pepsi!

Last year, fairgoers attempted to set the record for the largest Bunny Hop.

WHEN: Sunday, Aug. 31. Registration is from 10 to 1 p.m. at the KISS 106.1 booth/West Gate, at ParentMap near the East Gate or at the KMPS booth on the south end of the Grandstands. Gates open at noon to the Evergreen Speedway Race Track, where participants will line up in a huge circle around the track. The West Coast Country Heat Dancers will demonstrate how to "turn yourself about" at 1:15 p.m. with our record-breaking attempt beginning at 1:30 p.m.

WHERE: The Evergreen State Fairgrounds in Monroe, where we're celebrating 100 years of fun . . . *that's what it's all about!*
