Glen Allen Memorial

Glen Allen was the oldest of three sisters and one brother. During the depression he lived with his family on a few acres with milk cows, pigs and chickens in the Snohomish- Fobes hill area. In high school he and his father had a bull service, he began milking cows, haying and doing whatever farm work came up. After graduating from Snohomish High School in 1942 he was drafted into the Army and spent 3 years in WWII with time in the Greenland, the Pacific and Japan. After serving our country Glen worked at various jobs including logging, work in plywood mills, part-time auctioneering, a guard at the Monroe Reformatory and construction.

Glen always enjoyed working with cattle and being involved in farming. In 1963, two years after the Marysville Livestock Auction opened, Glen was hired as the manager. For over 40 years Glen worked at the auction as a manger and auctioneer. His wife and 2 daughters joined him as office staff where they enjoyed working together and interacting with farmers, ranchers and their families. The Marysville Livestock Auction hosted many 4-H and FFA activities which included the annual Puget Sound Jr Livestock show and Sale. After the Auction closed on September 6th, 2006, his 83rd birthday he enjoyed his small herd of Angus cattle and tending to his garden and farm in Snohomish.

Glen lived his life to the fullest, had a passion for agriculture, was a dedicated husband, father and grandpa, a great friend and always treated everyone he met with kindness and respect.
